

INSTITUTO TECNOLÓGICO DE SONORA  
Educar para Trascender

The Sixth International Symposium on Environmental Biotechnology and Engineering  
Ciudad Obregón, Sonora, México. November 5<sup>th</sup> to 9<sup>th</sup>, 2018

- And -

IV CONGRESO NACIONAL DE TECNOLOGÍAS Y CIENCIAS AMBIENTALES

Dear author

The complete program for oral sessions and poster presentation will be available soon, online.

Specifications for each presentation mode:

1. Oral presentation will last 12 min plus 3 min of questions. You must upload the presentation file at 8:45 am for the morning session and 2:45 pm for the afternoon session, in the corresponding room. The official languages of the Symposium are English and Spanish. Oral presentations in English are encouraged. Nevertheless, oral presentations in Spanish are accepted.
2. Poster presentation, size: 110 cm width x 90 cm high. Poster language could be English or Spanish. Posters in English are encouraged. Nevertheless, posters in Spanish are accepted. The poster must be delivered in the registration area between 10 a.m. and 12 p.m., on the day that your work will be presented. Please, be sure to include, in the poster, the logo of 6ISEBE that you can find below.

IV Congreso Nacional  
de Tecnologías y  
Ciencias Ambientales

French National Research  
Institute for Sustainable  
Development
